FISCAL MEMORANDUM

HB 2265 – SB 2316

May 5, 2009

SUMMARY OF AMENDMENT (006592): Deletes all language after the enacting clause and requires the criminal background check of new employees in adult day care centers, Department of Human Services licensing staff and all new counselors and supervisors in the Adult Protective Services (APS) program and volunteers who have unsupervised access to the adults to include a review of the vulnerable persons registry, the state's sex offender registry, and the records of perpetrators of abuse maintained by the Department of Children's Services (DCS) and the Department of Human Services (DHS). Establishes that identification on the state's sex offender registry or as a perpetrator of abuse to a vulnerable person will disqualify an individual from employment at an adult day care center or DHS. Requires background disclosure forms to include the individual's juvenile history and records and whether the individual has been on the vulnerable persons registry, the state sex offender registry, or is an identified perpetrator of abuse of vulnerable persons.
